

KNOTTED PENDANT

This design's deeply layered texture interweaves and ties the glass into a bundle of "knots". The ribbed knots are made with an unconventional hot glass process of coiling and twisting the glass into individual knots. The effect is richly textural. Suspended from cable or rod from a 5" dia. ceiling canopy.

SHOWN: 38"Dia. x 15"H. Interior frame powder coated glossy white.
