■ STORAGE

If customer cannot accept delivery by shipping date specified on order confirmation, or payment is not made within thirty days from the date of the invoice, DMA reserves the right to transfer the goods to storage. Transfer to storage and storage will be at the customer's expense and DMA will deem such transfer as delivery for all purposes. Customer bears the risk of loss or damage.

■ UPHOLSTERY CONSTRUCTION

All upholstery frames are constructed of kiln-dried sustainable maple and are doweled, glued and screwed at all key joints. All sofa platforms are built with eight-way hand tied springs, and all loose-seat cushions, unless otherwise specified, are blend-down over a spring core. Depending on specific design requirements, tight-seat chairs are built with either eight-way hand tied springs or foam core over rubber webbing.

■ CUSTOMER'S OWN MATERIAL

Prior to shipment of the COM to our factory, a cutting showing face, direction and pattern match must be sent to DMA NY. We reserve the right to reject any fabric which we feel does not meet our upholstery standards. We are not responsible for any complaint arising from appearance, quality, wear or natural defect (leather) of customer's own material. Exact shipping instructions for the fabric will be issued by DMA NY. All fabric incorrectly shipped to DMA NY office will be reshipped at the client's expense. If an order with a deposit is received by DMA, but no cutting or instructions for COM have been received, we will begin processing the order and our factory will use their judgment during upholstery and DMA will not be responsible.
