

Brutalist Block (Vertical Study)

Layered forms organize into a compressed field,
defined by vertical divisions and controlled
displacement.

Interventions register along the surface,
marking points of pressure and assembly.

Archival digital print, on German etching paper,
hand-embossed intervention, 12 × 18 in.

Edition of 12 + 2 AP

Authored AI-assisted digital print.

Brutalist Block

Rigid vertical structures are interrupted through mass angular intrusion, abrasion and tonal compression. The image operates as both architectural fragment and psychological field.

Image Size: 12 x 18 in.

Framed Dimensions: 19.75 x 26.5 in.

Archival digital print on German etching paper,
Hand scored and embossed surface intervention.
