ALTURA FURNITURE

The Cadet Chair is a scaled down version of the Chevron Chair

CADET CHAIR

SIDE: 19W x 22D x 33H, ARM: 21 1/2W x 22D x 33H

Shown in Dark Walnut and COM with optional top stitching.

The wood framed Cadet Chair follows the design styling of the full-sized Chevron Chair, but in a more space conscious way. While the Cadet's comfort is based on the Chevron's seat depth, its more narrow width is a perfect solution for smaller scaled seating criteria.
