

# Ceramic Vase "Foam Whisper", Porcelain

## "Foam Whisper"

A sculptural vessel shaped by earth and tide—its weathered surface and flowing textures evoke sea-worn cliffs, limestone caves, and salt-kissed stone. Soft cream tones with oceanic glaze movements create a presence that is both organic and architectural. Ideal for luxury hospitality interiors, boutique hotels, and high-end residential projects seeking statement pieces with natural elegance.

There is no symmetry in this form—only rhythm. A sculptural anchor for hospitality design, designer lobbies, and bespoke interiors.

Custom sizes and compositions available upon request.
