

Long Dresser/Server with door and drawers

Long Dresser/Server with six drawers

HEDGE LONG DRESSER/SERVER

Inspired by Japanese Noren curtain panels that lend a peek of what's on the other side. The vertically integrated handle provides a pleasing pull and appears to peel back a curtain. Alternating grain direction on the doors subtly play across the lateral face.

A piece for the Dining Room or the Bedroom.

Available in two standard configurations.

One with six drawers and the other with two doors and three drawers and adjustable shelves within.

DIMENSIONS

72"L x 18.5"D x 32"H

WOOD/FINISH

Case + Legs available in all TB standard wood and painted finishes

Metal Leg Armature available in TB Standard powder-coat finishes

Finish Options: Combine Wood + Painted finishes to suit:

A - Wood overall - body, drawers/doors + legs

B - Wood body, interior + legs with painted drawers/doors

C - Painted overall - body + drawers/doors with wood-finished legs

D - Painted body + interior with wood-finished drawers/doors + legs

Interior drawer boxes are always painted to match the specified paint color or if the cabinet is all wood they will be painted Ballet White as a default.

Interior Shelves + Interior Cavity will match the specified body wood + finish or the specified paint color.
