LAKE CRESCENT DESK

Shown in natural steamed walnut with torino appalachian leather 72 x 30 x 30H

Lake Crescent Desk

72 x 30 x 30H

Wooden desk made from shop sawn veneer. Veneer made in shop from kiln dried timber, which yields an extra thick durable surface. Desk top is laminated over a curved mold.- antique brass finished steel case
- leather wrapped vanity panel, and drawer fronts. Leather wrapped over upholstery foam to give extra depth.

Options...are endless:

- custom sizing up to 8 feet long
- vanity panel can be shortened or eliminated
- custom storage options
- shop made brass grommet in desk top
- cord management systems
- charging outlets in drawers
