

OSO CREATIONS

SKIEW TABLE

The Skew embodies an exploration of asymmetry within a compact, block-like form. Through skillfully polished walls of colored concrete, the table's structure tapers purposefully, concentrating volume towards its upper portion. This artful design imparts a striking resemblance to a sizable, multi-faceted gemstone.

DIMENSIONS

HEIGHT: 16.5"

WIDTH: 18" to 20" – tapers in 2" towards the bottom

WEIGHT

80lbs

MATERIALS

Concrete
