

HILLIARD

OLYMPIC CHANDELIER

DESIGN:

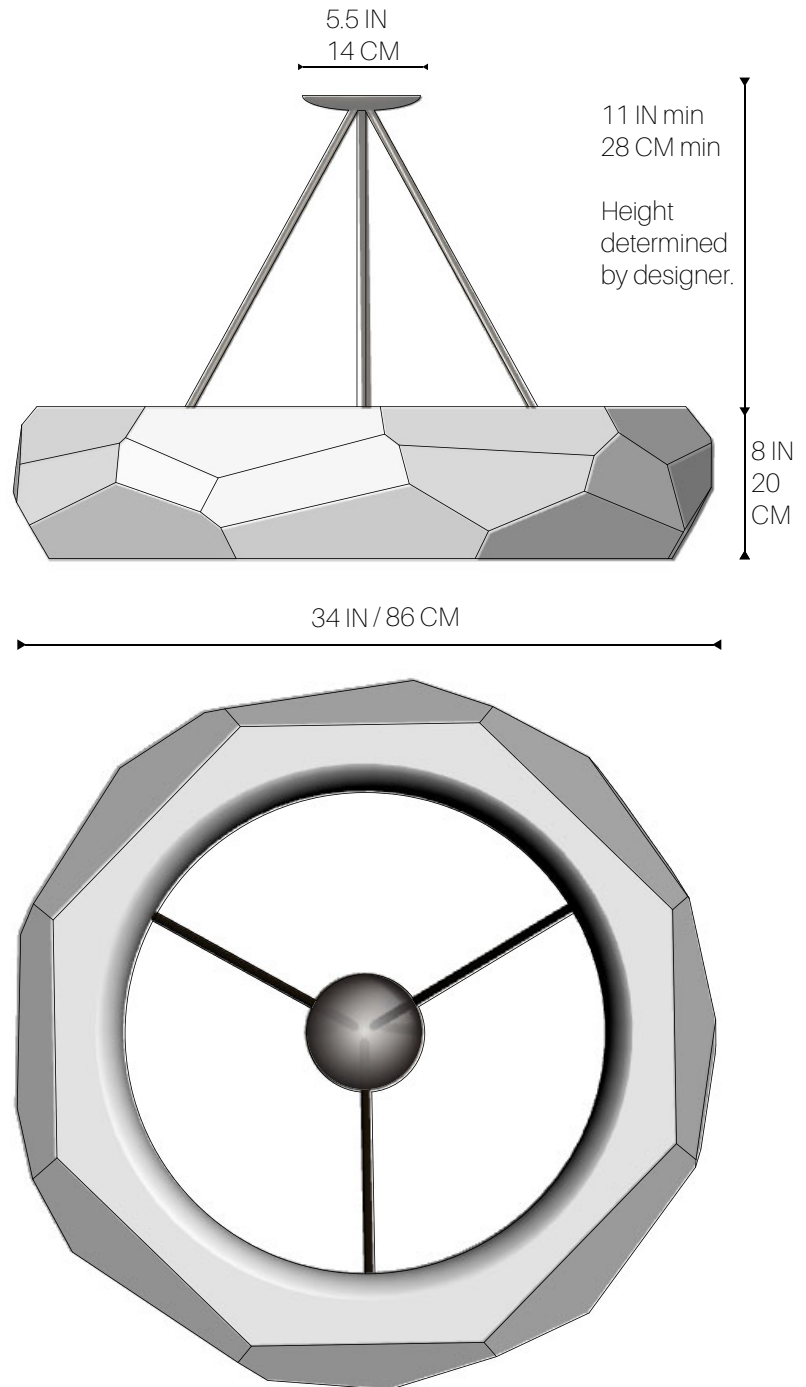

The Olympic chandelier showcases a carved geometric exterior to form a multifaceted surface. The structure creates a play of light and shadow as it illuminates from within, casting a soft ambient light across the surrounding space. Its faceted shape brings a contemporary edge to the room, and its brushed interior shows the hand of the craftsman, combining texture and form at home in a modern or ancient palace.

FINISHES SHOWN: Plaster White, inner & outer colors can be customizable
