# OTTO

## Freestanding Shelving Unit

A refined architectural shelving system balancing craftsmanship, materiality, and light. Otto serves as an elegant room divider or display piece, with integrated Lucia art lights illuminating bronze mesh panels in a warm, nuanced glow.

### MATERIALS & FINISHES

#### BRASS FRAME

Antiqued Boyd Brass, Blackened Brass, Satin Brass

#### WALNUT SHELVES (18" Deep)

Butternut, Roasted Brown, Squall

#### BACK PANELS

Bronze Mesh in Brass Frame, Aluminum (Custom RAL Colors Upon Request)

### LUCIA ART LIGHTS

Integrated Lucia art lights illuminate the bronze mesh panels with a warm, nuanced glow. Museum-quality LEDs with 98+ CRI and no UV emissions provide soft, focused light through a dual-lens design, while 65-degree rotation allows precise light direction.

### LUCIA FINISHES

Antiqued Bronze, Blackened Bronze, Earthen Bronze, Satin Bronze

### COLOR TEMPERATURE

2700K, 3000K
