

OSO CREATIONS

THE ROLLERBOY

The Rollerboys appear as solid stone cores, offering a substantial feel, yet they are surprisingly lightweight. Their recessed wheels grant them the illusion of effortlessly gliding, almost as if they're floating. With its minimalist geometry, exceptional mobility, and modular design, the Rollerboy proves astonishingly versatile. They can serve as a chair, a table, an ottoman, or be clustered together to form a captivating coffee table.

DIMENSIONS

15" D x 16.5" H | 65lbs
