

SLENDER SIDE, ARM CHAIR, and BARSTOOL

Surrendering to essential simplicity.

Crafted from solid wood in either Walnut, White Oak, or Ash, the Slender collection embodies timeless minimalism.

Each chair and barstool features a refined, understated leg profile that subtly elevates the form. Gently tapered legs lend a sense of lift, while the softly curved rear legs echo the graceful contour of the backrest—balancing visual lightness with structural integrity.

Available in a range of our standard finishes.
