THREE-WAY NESTING TABLE SET

The work of artist David Nash was part of the motivation behind the 3-Way Nesting Tables. His use of solid forms and balance created a tension that inspired this design. We welcomed the opportunity to juxtapose two very different materials - in this case wood and acrylic. These can be arranged together or apart to fulfill flexible surfaces in any setting. Available individually or as a set of three.

The Triad Collection's scale and mass are particularly suited to the application of the Premium Veneers selected exclusively for these pieces.
