

WINDOWS BED

The solid wood headboard is available in two options:

LATTICE WOOD

CANE

WINDOWS BED

Handcrafted with solid wood our Windows Bed is clean, functional and essential. A sturdy platform with a gently pitched headboard offer an invitation to linger. The lap-joint construction creates a series of apertures to lighten the bold and weighty frame and welcome an afternoon breeze.

The Caned Headboard Option provides a warm contrast with an inset natural cane panel.

Available with a fabric-covered platform and with a European slat system.
