Garrison | 134-140

Limited

The most recent addition to the Garrison Series is a Green/Black patina variant of the initial award-winning design conceived in early 2015. The Garrison is a sculptural casting intended for use as a stool or side table, derived from state-of-the-art digital design and fabrication technology.

Honouring central-eastern Canada's manufacturing heritage, the Garrison was cast in sand- the same process used to produce machine parts for heavy industry. The sand-casting process produces faintly perceptible irregularities that enhance the Garrison's tactile appeal.

Dimensions

- 16" W x 14" D x 18" H
