Jupiter | Low Acrylic

Unlimited

This low table pairs our signature solid bronze Jupiter castings with 2" cast acrylic.

Honouring central-eastern Canada's manufacturing heritage, the Jupiter legs are cast in sand- the same process used to produce machine parts for heavy industry. The sand-casting process produces faintly perceptible irregularities that enhance the leg's tactile appeal.

Rectilinear or organic shapes can be cut within the noted dimensions, without incurring additional costs.

Dimensions

- Up to: 24" W x 48" L x 14-1/2" H or 16 -1/2" H
- Up to: 48" W x 48" L x 14-1/2" H or 16 -1/2" H
- Up to: 48" W x 60" L x 14-1/2" H or 16 -1/2" H
